

NOTICE OF BOARD WORKSHOP OPEN TO THE PUBLIC

SUBJECT: WATER SUPPLY ISSUES

**Monday, November 1, 2004
9:00 a.m. – 12:00 p.m.**

**Sonoma County Board Room
575 Administration Drive
Santa Rosa, CA 95401**

The Sonoma County Water Agency (Agency) has scheduled a public workshop with the Board of Directors to discuss current water supply issues, give the public an opportunity to make comments on these issues, and seek Board direction.

Items to be presented include:

- Water Supply Reliability
- Update on Implementation of Reduced Flows During Summer 2004
- Status of Restructured Water Supply Agreement
- Water Supply and Transmission System Project Supplemental EIR
- Recycled Water Projects
- Water Conservation

A staff report in support of the workshop will be made available to the public on October 25, 2004. If you would like more information about the workshop or wish to receive a copy of the staff report, please contact the Agency at 707-526-5370.
